Courses

In the *Courses* section, you will find a general description of the subject (including topics / units covered), an assessment outline (task description, due date, weighting, achievement / performance standards), and a semester / yearly planner. Click or tap on the *Cover page* section to reveal this helpful information.

The screenshot shows the Engage app interface for the Game Programming course. On the left is a sidebar with a list of courses, including 'Game Programming' which is highlighted. The main content area has a dark blue header with 'Game Programming' and a 'TODAY' section with a 'Cover page' button. Below this is a large green banner with the text 'Game Programming'. The main content area features a patterned background with a purple box labeled 'Assessment Outline'. Below this is a 'Semester Planner' section and 'Unit 1: Introduction to Programming' details, including 'Processes and Production Skills' and 'Skills Covered'. A small image shows 'EXAMPLES OF PROGRAMS MADE USING GAME MAKER'.

Tapping or clicking on a current term week or just on the *TODAY* link, will show you any classwork or homework that your son needs to attend to.

Direqt Messages

Direqt Messages allows you to send and receive notes / documents from your son's teachers. There is an unread message alert at the top right hand corner of your SEQTA Engage screen.

When composing a NEW MESSAGE you can **Add files** (up to 32mb), links, themes, etc.

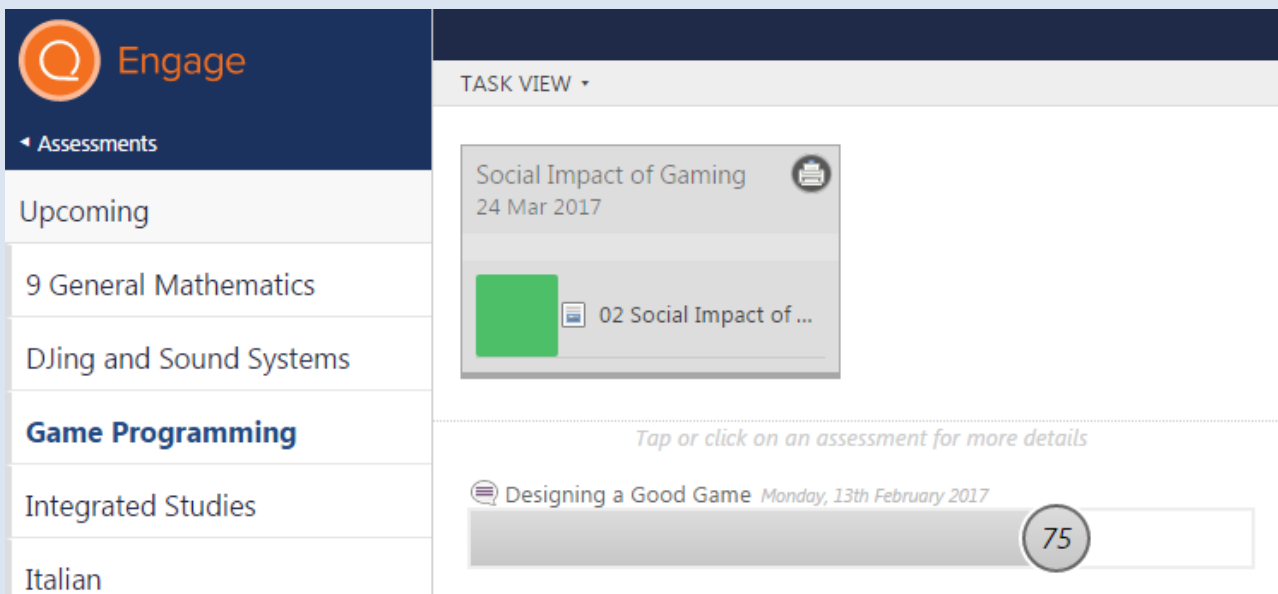

Select the staff member for your message by either typing in the teacher's name in the *Select Staff* search box or use the drop down menu of names. *TIP:* Clicking on the  button will direct your message to your son's house leader.

***To update your contact details, such as email address, send a Direqt Message to:**

COMING SOON Assignments / Assessments

We have just started using SEQTA at Blackfriars and over time you will see your son's assignments and assessments being posted in SEQTA Engage. Clicking on a subject will display your son's upcoming assignments and show their task assessments with results / comments.

Also your *Direqt Message* alerts  will advise you of any new assessment results that have been posted for your son.
